Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Supplemental to the Information Disclosure Statement dated April 16, 1991, applicant submits herewith information of which it is aware, which it believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

This Supplemental Information Disclosure Statement is not intended to constitute an admission that any information referred to herein is "prior art"

in relation to the claimed invention unless specifically designated as such. In accordance with 37 CFR 1.97(b), the filing of this Supplemental Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.

A list of the enclosed item is set forth on the attached one page of Form PTO-1449. The relevance of the listed item is set forth below.

Wexelblat et al., US-A 5,021,976, describe techniques for interactive visual representation of information structures within a computer. Iconic representations and visual features of a visual display change with the movement of mathematical relationships within the boundaries of an information system. Navigation problems are described beginning at col. 6 line 34.

The Examiner's attention is also drawn to applicant's related Application Nos. 07/030,766; 07/241,525; 07/488,587; 07/562,048; and 07/770,196 and the claims and information submitted in relation thereto.

Applicant requests that the Examiner consider the item set forth above and make it of record in this application.

Respectfully submitted,

James T. Beran
